

ABOUT KINGSTON ROSS PASNAK

At Kingston Ross Pasnak LLP (KRP), Chartered Accountants, we are more than an accounting firm. In addition to accounting, tax and auditing services, we provide a full range of financial and business support services, including financial planning, business management, mergers & acquisitions, valuation and litigation support and forensic accounting. KRP maintains a reputation for integrity, effectiveness and value, every day.

We attribute our success to a sustained focus on helping Alberta businesses grow and prosper.

Our services are not restricted to activities in Alberta. Through our membership in the DFK International Alliance, KRP can provide business support services to Alberta clients anywhere in the world. DFK is a worldwide alliance of independent accounting firms with 254 offices in 72 countries. This connection enables us to support clients regardless of where business needs or opportunities occur.

Services, Value and Expertise

We have built our practice on providing excellent service to locally-owned businesses. Based on our experience we can provide the highest quality of service at a very competitive cost to our clients.

We have all of the fundamental strengths or 'musts' that an accounting and auditing firm should have but you will find distinctive characteristics which sets KRP apart from other firms.

a d d i n g v a l u e e v e r y d a y

Each client receives extensive personal attention from KRP partners. This involvement brings responsiveness, maturity and practical business judgment to important client decisions. KRP is committed to strong, client centered relationships based on extensive partner involvement.

As a partnership, we share ideas and structures to provide the best possible level of service to each of our clients. Our collective experience transcends that of any individual in our organization and provides each client with a wealth of experience that is geared specifically to you.
