

ABOUT KINGSTON ROSS PASNAK

At Kingston Ross Pasnak LLP (KRP), Chartered Accountants, we are more than an accounting firm. In addition to accounting, tax and auditing services, we provide a full range of financial and business support services, including financial

planning, business management, mergers & acquisitions, valuation and litigation support and forensic accounting. KRP maintains a reputation for integrity, effectiveness and value, every day.

We attribute our success to a sustained focus on helping Alberta businesses grow and prosper.

Our services are not restricted to activities in Alberta. Through our membership in the DFK

International Alliance, KRP can provide business support services to Alberta clients anywhere in the world. DFK is a worldwide alliance of independent accounting firms with 254 offices in 72 countries. This connection enables us to support clients regardless of where business needs or opportunities occur.

LITIGATION SUPPORT SERVICES
AND BUSINESS VALUATIONS

LITIGATION

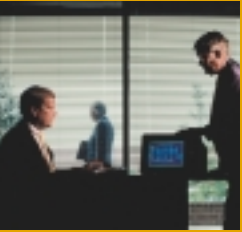

KRP provides a full range of litigation support services to the legal and business community. **Our mandate is to provide credible, defensible solutions to your financial and economic emergencies.**

We are experienced at providing assessment and quantification of economic damages in:

- Personal injury and fatal accident claims
- Shareholder and partnership disputes
- Matrimonial disputes
- Breach of contract
- Expropriations
- Intellectual property infringement
- Loss of income claims

Our Services Include:

- Preliminary meetings to identify heads of damages
- Document review and preliminary damage calculations
- Assistance at examinations for discovery
- Preparation of formal written report
- Expert witness testimony

BUSINESS VALUATIONS

The Business Valuation professionals at KRP have extensive experience in determining the fair market value of a business. We can help you make sound business decisions when you require assistance in Business Valuation matters for:

- Purchase and sale agreements
- Matrimonial property divisions
- Partnership or corporate dissolutions
- Investment decisions
- Royalty rate studies
- Shareholder disputes
- General business litigation
- Estate planning
- Goodwill Valuation

In the market, there exists various approaches and methodologies to value a business; **our Business Valuation professionals have the knowledge and experience to determine which methodology is appropriate for your business.** Our Business Valuations are thorough and entail discussions with management and key employees, site visits, market and industry investigation, evaluation of historical financial data and consideration of goodwill and other intangible assets which accrue to your business.

Our Business Valuation specialists are Chartered Accountants and Chartered Business Valuators with Business Valuation experience covering a wide spectrum of industries.
