

Congratulations to
DEANNA MUISE
on receiving her
FCPA, FCA
designation

The Fellow of the Chartered Professional Accountants (FCPA) designation is awarded by CPA Alberta to formally recognize those members whose achievements and contributions, in their careers and in the community, have rendered exceptional service to the profession. Individuals are nominated for this designation by their peers and it is the highest such honor bestowed upon a CPA.

During Deanna's 30 years with KRP, she established the tax specialty group in 1990, spearheaded its growth to 25 members, and became the first woman to join the partnership. Deanna has been a role model for female leaders in accounting and other professions, and has continually mentored women within the firm and the community.

Throughout her professional career, Deanna has been a prominent leader, sitting on multiple boards and committees giving back to the community, and leading and organizing various initiatives. Five and a half years ago, The Honourable Bernard Valcourt, Minister of Aboriginal Affairs and Northern Development, appointed Deanna to the Board of Directors of the First Nations Financial Management Board, citing her extensive experience in the fields of finance and taxation along with her leadership and managerial expertise. Deanna is now vice chair of the Board and chairs the Governance and Human Resource Committee for the First Nations Financial Management Board.

The FCPA, FCA is a prestigious designation and KRP is very proud to acknowledge and celebrate this significant achievement!
